The agreements and contracts outlined in this dossier (collectively this "Agreement") operate within a specific hierarchy to ensure clarity and consistency in our services and obligations. In the event of any inconsistency or contradiction between these documents, the order of precedence is as follows:

- 3) **Service Specific Terms:** These terms outline each Service's specific terms, conditions and guidelines. They provide the foundational rules governing the use of the Service.
- 4) **SLA (Service Level Agreement):** This agreement defines the expected level of service performance, including uptime and support metrics, for specific services.
- 5) **Customer Data Incident Response Process:** This document describes the procedure and concerning Customer Data security incidents.
- 6) **Master Agreement (This document):** This agreement governs the overall relationship between Nebul and the Customer, providing the broad terms and conditions applicable to all Services.

In case of any conflicts between these documents, the terms of the document higher in the order will prevail.

- D) that any Customer Data will be secure or not lost, damaged or altered.

10. LIMITATIONS OF LIABILITY

10.1 **Liability Disclaimers.** Except for payment obligations under Section 8.1, neither Nebul nor Customer, nor any of their Affiliates or licensors, will have liability to the other under any cause of action or theory of liability, even if a party has been advised of the possibility of such liability, for:

- B) the value of Customer Data;
- C) loss of profits, revenues, customers, opportunities, or goodwill; or

If such event takes place during the first 12 months of the Agreement, the Fees (excluding VAT) until that time will be divided by the number of months of the Agreement and multiplied by 12 to calculate the limitation of liability for such event.

10.3 **No limitation for payment obligations.**

The right to object does not apply if the modification is required for Nebul to comply with applicable laws or an order of a competent supervisory authority. The 30-day period will only apply if the modifications are clearly described and explained in the notification and the documentation included with that notification (without the recipient having to refer to other emails or documents).

Recognizing that Nebul provides its Services to multiple customers and that a streamlined change management process is important for Nebul to conduct its business effectively and provide the Services, you agree that you will not unreasonably object to modifications Nebul proposes.

- 11.2 **Entry into force of modifications.** If you do not object to the modification, the modifications to the Agreement will automatically become effective 30 days after the date stated in the notification.

Effective upon such assignment, the assignee is deemed substituted for Nebul as a party to the Agreement and Nebul is fully released from all of its obligations and duties to perform under the Agreement. Subject to the foregoing, the Agreement will only be binding upon the parties and their respective permitted successors and assigns.

Any assignment or transfer in violation of this Section 12.1 will be void.

- 12.2 **Entire Agreement.** The Agreement incorporates the Policies as well as the Schedules and documents mentioned in Sections 1.2 and 2.5 by reference and is the entire agreement between you and us regarding the subject matter of the Agreement. The Agreement supersedes all prior or contemporaneous representations, understandings, agreements, or communications between you and us, whether written or verbal, regarding the subject matter of the Agreement (but does not supersede prior commitments to purchase Services). None of the parties will be bound by any term, condition or other provision that is different from or in addition to the provisions of the Agreement (whether or not it would materially alter the Agreement), including for example, any term, condition or other provision however named:

- A) submitted by you in any order, receipt, acceptance, confirmation, correspondence or another document;
- B) related to any online registration, response to any request for bid, request for proposal, request for information, or other questionnaire; or

- 12.3 **Force Majeure.** Except for payment obligations, neither party nor any of their Affiliates will be liable for any delay or failure to perform any obligation under the Agreement where the delay or failure results from any cause beyond its reasonable control, including acts of God, labor disputes or other industrial disturbances, electrical or power outages, utilities or other telecommunications failures, earthquake, storms or other elements of nature, blockages, embargoes, riots, acts or orders of government, acts of terrorism, or war.
- 12.4 **Governing Law.** The Agreement and any dispute of any sort that might arise between you and us relating to or arising out of the Agreement, your use of the Services, or any products or services sold or distributed by Nebul is governed by Dutch law, without prejudice to its conflicts of law rules. The United Nations Convention for the International Sale of Goods does not apply to the Agreement and any transaction contemplated hereunder.

- 12.6 **Trade Compliance.** In connection with the Agreement, each party will comply with all applicable import, re-import, sanctions, anti-boycott, export, and re-export control laws and regulations, including all such laws and

regulations that apply to a European company, such as the Export Administration Regulations and economic sanctions programs implemented by the European Office of Foreign Assets Control.

For the sake of clarity: you are solely responsible for compliance related to how you choose to use the Services or Nebul Content, including your transfer and processing of Customer Data, the provision of Customer Data to End Users or other third parties, and the Nebul region in which any of the foregoing occurs. You represent and warrant that you and your financial institutions, or any party that owns or controls you or your financial institutions, are not subject to sanctions or otherwise designated on any list of prohibited or restricted parties, including but not limited to the lists maintained by the United Nations Security Council, the European Union or its Member States, or other applicable government authority.

12.7 Independent Contractors; Non-Exclusive Rights. We and you are independent contractors, and the Agreement will not be construed to create a partnership, joint venture, agency, or employment relationship. Neither party nor any of their respective Affiliates is an agent of the other for any purpose or has the authority to bind the other. Both parties reserve the right:

12.7.1 To develop or have developed for it products, services, concepts, systems, or techniques that are similar to or compete with the products, services, concepts, systems, or techniques developed or contemplated by the other party; and

12.7.2 To assist third-party developers or systems integrators who may offer products or services that compete with the other party's products or services.

12.8 Language. All communications and notices made or given pursuant to the Agreement must be in English. If we provide a translation of the English language version of the Agreement, the English language version of the Agreement will control if there is any conflict.

12.9 Confidentiality and Publicity. You may use Nebul Confidential Information only in connection with using the Services or Nebul Content as permitted under the Agreement. You will not disclose Nebul Confidential Information during the Term or during a 5-year period following the end of the Agreement. You will take all reasonable measures to avoid disclosure, dissemination or unauthorized use of Nebul Confidential Information, including, at a minimum, those measures you take to protect your own confidential information of a similar nature. You will not issue any press release or make any other public communication with respect to the Agreement or your use of the Services or Nebul Content.

12.10 Notice.

12.10.1 To You. We may provide any notice to you under the Agreement by sending a message to the email address associated with your account.

Notices we provide by email will be effective when we send the email. It is your responsibility to keep your email address current. You will be deemed to have received any email sent to the email address associated with your account when we send the email, whether or not you receive the email.

12.11 No Third-Party Beneficiaries. Except as expressly provided otherwise in the Agreement, the Agreement does not create any third-party beneficiary rights for any individual or entity that is not a party to the Agreement.

- 12.12 **No Waivers.** Any failure by either party to enforce any provision of the Agreement will not constitute a present or future waiver of such provision nor limit the relevant party's right to enforce such provision at a later time. All waivers must be in writing to be effective.
- 12.13 **Severability.** If any portion of the Agreement is held to be invalid or unenforceable, the remaining portions of the Agreement will remain in full force and effect. Any invalid or unenforceable portions will be interpreted to affect the original portion's intent.
